

BLUE PRINT FOR SUCCESS 2018-2023

Learning Today. Leading Tomorrow

“the act of binding yourself (intellectually or emotionally) to a course of action”

Goals Summary

The Vanguard Sentinel Career and Technology Centers are **committed** in creating an atmosphere of excellence. We are **committed** to providing a challenging curriculum, skilled instruction, and a learning environment that responds to individual student success. Our **commitment** is guided by the belief that every student is capable of attaining high levels of educational achievement. VSCTC in collaboration with all district stakeholders will find a way to meet student and community needs, no matter the obstacle, adversity, or distraction.
