Student Orientation kicks off today and will run through next Tuesday the 25th. We are excited to have students getting back on our campuses. Staff have been working hard this week and we are confident that our campuses, labs, and classrooms are ready to go.

VSCTC on campus programs at both VTC and SCTC will start on a 100% hybrid schedule for the first two weeks of school. The hybrid schedule will be as follows:

- 8/26 Student first day, Group 1 & 2 distance learning
- 8/27 Group 1 on campus, Group 2 distance learning
- 8/28 Group 2 on campus, Group 1 distance learning
- 8/31 Group 1 on campus, Group 2 distance learning
- 9/1 Group 1 on campus, Group 2 distance learning
- 9/2 Group 1 & Group 2 distance learning
- 9/3 Group 2 on campus, Group 1 distance learning
- 9/4 Group 2 on campus, Group 1 distance learning

VTC

Group 1: Students from:
Fremont Ross
Port Clinton

Group 2: Students from:
Old Fort Fostoria
Clyde Gibsonburg
Lakota St. Joe

Sentinel

Group 1: Students from:
Columbian
Hopewell-Loudon

Group 2: Students from:
Calvert Mohawk
Fostoria New Riegel
Old Fort Seneca East
Upper Sandusky
North Central Academy

By starting with the hybrid schedule with 50% student capacity, it allows everyone the extra time to adjust and ensure the proper protocols are in place and being followed. After Labor Day, we will be running 4 days a week, Monday – Tuesday – Thursday – Friday for all students. Wednesdays will be a distance learning day and no students will be on campus. In many of our labs, we can successfully meet all health department guidelines and maintain the 6 ft social distance because of square footage space and the varying different enrollment sizes in each lab. It is imperative with the CTE programs that students get as much in lab, hands-on experience as possible. In any lab/classroom that may have higher enrollment and/or we don't have the square footage in that space to maintain all health and safety requirements, students may remain on 50% capacity and be on a different flexible schedule. As it states in our overall plan that is posted on our website, every lab may not run the same exact schedule. Students will receive what their specific schedule is if it is adapted differently from attending all 4 days.

If Sandusky or Seneca County goes to a level Red, we will go back to the 100% hybrid to reduce student capacity to 50% and run the Group 1 & Group 2 schedules. VSCTC will not go to a 100% remote environment unless mandated by the state.

We are looking forward to having students coming back. VSCTC will continue to be committed to providing a safe environment to facilitate the highest quality career technical education possible.
