fax 419-334-4308

Adult Workforce Development Center

1306 Cedar Street
Fremont, Ohio 43420
419-334-6901
fax 419-334-4308

Wow, it's hard to believe in just a few short weeks we will be celebrating Senior Recognition and the 2020-2021 school year will come to a close. What a year it's been!!! Over the course of one year we learned that our regular, normal, daily routines and expectations can be upended in less than a moment's notice. We also learned that the VSCTC students have the capabilities to adapt that are far greater than we could possibly have anticipated. We did not really know what to expect when the school year began but the one thing that did not waiver was the continuation to strive towards providing a high-quality career technical education for our students.

The graduating Seniors have shown a lot of grit and determination in working hard and earning their industry credentials and gaining real world work experience. Congratulations, graduates!!! Students have earned their Career Passports from VSCTC and they are ready to move on to their future chosen paths and careers and we all very proud of their accomplishments.

In preparation to celebrate and honor the VSCTC class of 2021 the state has put out guidance regarding graduation ceremonies. Plans are being finalized for our upcoming Career Passport Ceremonies. We will be holding these ceremonies on both the Vanguard Tech Center and Sentinel Campuses on Wednesday, May 12th. To stay within the guidelines of the 25% indoor capacity we will hold multiple ceremonies throughout the day beginning at 9 am and broken down by program. Each student will receive 2 tickets for family members with a maximum capacity of 100 people at each ceremony. Below you will find the student ceremony schedule. As more details are developed we will send out communication. Please do not hesitate to call if you have any questions.

Thank you for your continual support in the Vanguard-Sentinel school district.
