If you would like to “opt out” of releasing your child’s directory information, your request will be honored. Please keep in mind, that VSCTC will not be able to release information to any third party, including colleges and employers, once you opt out. If you wish to opt out, please contact the office.

No student shall post articles or notices on the bulletin board without first obtaining permission from the office.

Associate school announcements will be posted in the showcases in the cafeteria as they are received.

### **Extra-Curricular Activities**

Students enrolled at the VSCTC are members of their respective classes at their partner school. They are eligible and encouraged to participate in athletics, music, theatre, dances, and other extra-curricular activities.

Athletic eligibility will be determined by the partner school. The VSCTC staff will cooperate in providing requested grades and other information.

### **Distribution of Materials**

### **Student Emergency Medical Authorization**

In accordance with Section 3313.712 of the Ohio Revised Code, an emergency medical form is provided to the parent or guardian of every pupil. *The form is to be completed by the parent or guardian and returned to the school within the second week of attendance.* Any student who does not return their Emergency Medical Form will not be permitted to participate in lab activities.

Students must maintain adequate medical insurance. VSCTC does not provide insurance; however, it offers a plan through an insurance company. It is the responsibility of the parent/guardian to notify the school of a student with a physical handicap, chronic illness, or disability.

In case of emergency injury, students will be transported to the nearest hospital.

### **Student Medication**

**Students should not be carrying prescribed or non-prescribed drugs or medication.** A student who is under a doctor's care and taking prescription or non-prescription drugs will need to pick up a medication form in the office and have it completed by attending physician beforehand. Students will need to return this form with parent or guardian notify the office indicating the physician's name and type of drug prescribed. The student must not transmit or attempt to transmit prescription or non-prescription drugs. A student not following these rules may be considered in violation of the school district's drug and alcohol policy.

All program fees will be due before a Career Passport will be issued to a student. To be eligible for field trips or to compete in local, district, regional, state, or national competition all Student Activity Fees must be paid in full.

A student must have all school fees paid before they are permitted to have customer service completed on their person or property.

A student who is experiencing financial hardship may pay school fees on a payment plan established by the school cashier.

Any textbook or other school property that is lost, damaged, or unaccounted for will be charged to the student at the replacement cost.

### **Textbooks and Workbooks**

Textbooks are the property of the Vanguard-Sentinel Board of Education and are loaned to the student. The textbooks become the student's personal responsibility. Students will be charged the true value of the book for any book that is lost. Fines will be assessed for any misuse, marking in books, etc. Grade reports, credits, and certificates may be withheld if assessed fines are not paid.

### **Field Trips**

Students will have the opportunity to participate in school-sponsored field trips. Emergency Medical Forms must also be taken on off-campus trips. Special dress requirements may be required to participate on a trip. Field trips are restricted during Ohio Graduation Testing. The Code of Conduct applies anytime under school supervision or direction, including overnight events. Students may be excluded from field trips based on their grades, disciplinary issues, or attendance issues as determined by the administration. Please note: Students are not permitted to drive to field trips.

### **Lockers**

Students will be provided the use of a locker by VSCTC. VSCTC assumes no responsibility for lost items from any hall or lab locker.

**Lockers are the property of the VSCTC Board of Education.**

**Lockers carry no expectation of privacy for the students who use them.** School lockers, desks, cabinets, toolboxes, etc. and their contents are subject to search by school authorities at any time and without warning using whatever methods are available to VSCTC (ORC 3313.20).

VSCTC participates with local authorities in random canine drug searches. Students are expected to use only the lockers assigned. Contents of the lockers are the responsibility of the student assigned to that locker.

### **Cafeteria**

VSCTC has a closed lunch period and students must eat in the cafeteria, even if the student brings the lunch from home. No lunches will be brought into the building by any person after the beginning of the school day. Any exceptions must be cleared by the administration. ### **Eighteen-Year Old Students**

Students eighteen years of age or older will be treated the same as all other students and will be expected to comply with all school rules, regulations, policies, and state laws.

### **Independent Student Status**

### **Video Surveillance**

The interior and exterior of VSCTC buildings are under surveillance by video equipment. A recording may be used as evidence by the Administration or by law enforcement in any situation involving violation of any rule, regulation, policy, or law. The information recorded is only available to VSCTC administrators and is not available to any outside sources, including parents and students.

### **Use of Buildings/Grounds**

Any student or group meeting before or after school must secure permission for use from the building's Director.

### **Student Valuables**

Students are encouraged **NOT** to bring items of value to school. The school cannot be responsible for their safekeeping and will not be liable for loss or damage to personal valuables.

## **Student Vehicle Policy**

Permission to drive a vehicle to and from school is under the jurisdiction of the VSCTC Administration. All students driving to and from VSCTC must register their vehicle with the office within the first full week of the school year and keep it current throughout the year. In the event a student drives to school only on special occasions, a temporary parking permit must be obtained from the office. Any students not displaying an approved parking permit may be subject to towing at the owner's expense.

Students must have and maintain a valid driver's license in order to have driving privileges. Students must present their driver's license at the time they register for a parking permit. Parking permits must be displayed on your rear view mirror.

Search of a student and his/her possessions, including vehicles, may be conducted if there is a reasonable suspicion that the student is in violation of school rules. Any student who exercises the privilege of parking a vehicle on school grounds shall be considered to have given implied consent to a search of such vehicle at any time a search is requested by the school administration. Failure to comply with a reasonable search will be considered insubordination.

Student traffic is not permitted in areas reserved for school buses loading and unloading students. Parents may use this area for pick up and drop off, except from 2:30-3:00. Buses leaving the facility will have the right-of-way at all times.

- Student drivers must observe the posted speed limit of 10 miles per hour
- Students must not engage in reckless driving, including but not limited to: speeding, swerving, passing other vehicles, squealing tires, or anything else deemed wreckless/unsafe by VSCTC staff
- Student parking is a privilege and the school requests that students do not have anything attached to their vehicles that possess a safety risk or causes a disruption to the school environment.
- Students must go immediately into the building upon arrival at school
- All vehicles are to leave the campus promptly at the end of the school day
- All vehicles should be locked and not left overnight without prior approval. VSCTC is not responsible for theft or vandalism to vehicles or contents of vehicles
- No vehicle shall display any decals or symbols which could be considered offensive in nature
- Students who park in an unauthorized area may have their vehicles towed at the owner's expense

- Students are not permitted to ride in the back of pickup trucks

Any students who fail to comply with these rules and regulations or who abuse any policy may have their driving privileges to the VSCTC campus suspended or revoked.

## **ACADEMIC PARTICIPATION**

### **Credits Earned**

Students receive three (3) credits a year for successful completion of their Career/Tech lab experiences. Successful completion of academic classes results in one (1) credit for each. All academic classes must be completed for graduation. The awarding of credits is at the discretion of the student's home school.

It is the student's responsibility to be certain graduation requirements have been met at the partner school. Assistance may be obtained by request from the Guidance Department.

### **Grading Policy**

<u>Letter Grade</u>	<u>Percent</u>
A	90-100
B	80-89
C	70-79
D	60-69
F	59 and Below
I	Incomplete

Students may receive a daily grade each day based on factors such as punctuality, attitude, preparedness, and effort. A student placed in SSBE, OSS, or the Alternative School will receive a zero or reduced grade for their daily points grade. Also, any student considered truant from class will receive a zero.

Level one students who fail lab will be required to return to their associate school the following year.

Students in cosmetology not meeting the required hours for State Board may be returned to associate school.

Students failing an academic class in their junior year may move into the senior program only with the approval of the Director.

Level 2 or 3 students who *fail the first semester of lab* may be withdrawn and returned to their associate school at semester break.

### **Figuring Semester and Final Grades**

Students will be given an Incomplete grade for a course requirement not completed. For students who have not made up the work by the established deadline or two weeks after the last day of the grading period, that grade will become an "F".

Grades will be weighted accordingly:

- Each Quarter Grade = 45%
- Semester or Final Exam = 10%

After averaging the Quarter grades and the exam grade, a percentage will be calculated and using the above grading scale a final grade will be determined.

### **Grade Reports**

Report cards will either be mailed to students or be made available on ProgressBook at the end of each nine weeks.

Mid-term reports will be distributed to students. It is the student's responsibility to share this information with the parent/guardian.

Parents are provided access to ProgressBook to monitor their student's grades and attendance. Parents are encouraged to call the school for a conference with the teacher issuing the grade to help determine a way to make their student successful in the classroom.

## Student Make-Up Work

It is the student's responsibility to find out what work has been missed during an excused absence and make arrangements with the instructor for completing the work. The number of days for an excused absence will equal the number of days the student has to complete their make-up work. (Teachers may choose to extend days for long-term assignments. This will be at the discretion of each individual teacher.)

A student assigned to Student Success Behavior Enhancement (SSBE) is responsible for completing school work for their teachers while in SSBE. A student will be counted present for the school day while in SSBE, however, absent from class. The individual instructor will give credit for work completed in SSBE and students will be able to earn up to 78% of the value for the assignment; however, daily points/participation points are not received.

A student who has an unexcused or truant absence will not be able to make-up their work. The student may receive a zero for the day on any assigned work.

Students on Out-of-School Suspension (OSS) will be provided the opportunity to complete missed work. Students can complete their missed work for a maximum of 60% credit when assigned OSS.

## Career Passport Certificates

VSCTC confers three different certificates for students who complete their graduation requirements: **Certificate of Completion with Honors** for a student who maintained a grade average of "A" and maintained a 97% or better attendance record, **Certificate of Completion with Achievement** for a student who maintained a grade average of "C" or better and maintained a 93% or better attendance record, and a **Certificate of Completion** for a student who received a passing grade and maintained a 90% attendance record.

For a Certificate of Honors and Certificate of Achievement competencies will be listed on the back; however, no competencies will be listed on a Certificate of Completion.

Students accepted to a program that complete one-year of a program as seniors may be eligible to receive a certificate and may be able to participate in the Career Passport Ceremony at the discretion of the Director.

## **Career Passport Ceremony**

Students who have completed both their VSCTC program requirements and their high school graduation requirements will be permitted to participate in the Career Passport Ceremony. Requirements for both must be completed at the time of the Ceremony in order for the student to participate.

\*Students who fail a career-tech program will not be allowed to participate in the Career Passport Ceremony and will not receive a Career Passport.

\*Students who have not met academic requirements for their home school will not be allowed to participate in the Career Passport Ceremony.

\*Students who fail an academic course during the second semester and are credit deficient after the second semester of the senior year will not be allowed to participate in the Career Passport Ceremony. If approved by the home school, students may work in A+ at the VSCTC to recover their credit(s) prior to home school graduation. However, even if the A+ is completed prior to the VSCTC Passport Ceremony, the student will not be permitted to participate in the Career Passport Ceremony.

\*If a student will not graduate from their home school, the contents of the Career Passport will be withheld until all requirements are met for graduation.

\*Any extenuating circumstances concerning the Career Passport Ceremony will be left to the discretion of the Administration.

## **Youth Organizations**

BPA, FCCLA, FFA, Educators Rising and SkillsUSA Ohio at VSCTC are associated directly with the student's career technical area. Their main purposes are to develop leadership skills, foster cooperation, develop an awareness and appreciation of good citizenship, and to upgrade students' skills in group social activity. These organizations are an integral part of the curriculum.

Should a student have the fortunate opportunity to participate at the State and/or National level, the Board of Education and/or the specific organization fund will cover the costs. Student Activity Fees must be paid in full prior to the student participating. Students must make a commitment to attend these events. Should a student not attend

after his/her costs have been paid, that student will be charged for the costs. These costs will be added to the student's fees.

### **Drug Free Clubs of America**

This is a program designed to reach, recognize, reinforce, and reward drug free teens, in order to keep them on the right track. When a student applies for membership into the club they are volunteering to be drug tested. Those who have a clean drug screen are granted membership and given a personalized club ID card to use for rewards and perks at school and in the community. The school is not notified of which students passed or failed the drug test, keeping the fear of punitive damages out of consideration when contemplating membership. A displayed membership ID card is the only way to know who is in the club at any given point in time. This program turns peer-pressure on its head by rewarding positive, drug-free choices while giving members the power to say "I can't, I might get tested". Because membership in the Drug Free Club of America is voluntary and supported by the school, local employers, and the community, students can feel the positive effects far beyond the walls of our building. Additionally, those local employers and community members also reap the benefits of this program, as they have a larger pool of drug-free, skilled, applicants ready to enter the workforce and positively contribute to our community."

### **Youth Organization Eligibility**

Participation in student organization competitions and/or student leadership positions is regarded as an important privilege for students. Students who desire to participate in extracurricular activities are expected to meet standards for academics, discipline, and attendance. Failing to meet the standards in any one, or more, of these areas will result in a student losing the privilege of fully participating in extracurricular activities.

#### **A. Academic**

- Eligibility for participation is determined by a student's previous nine-week end of quarter grades. Students must have a "D" average in every class to participate in student organization competitions.
- A student is ineligible if he or she earns a grade of "F" for the previous quarter in any course in which he or she is enrolled.
- All student fees must be paid to be eligible to participate.

#### **B. Discipline and Attendance**

- Any student who is assigned SSBE or OSS during the day of an extracurricular event will be ineligible to attend the event.
- Any student who has been assigned OSS during the school year will be reviewed and eligibility will be determined by the administration.
- Students must have a 90% attendance rate for the school year to be eligible to participate. Specific medical related absences will be reviewed for approval by VSCTC Administration.

To be eligible to hold a student office for a VSCTC group or club, a student must maintain a “C” average and have fewer than five (5) days in SSBE and zero (0) out-of-school suspensions. The average will be determined by each 9-weeks grades. If a student has a grade of “D” they will be placed on a 9-week probationary period. If the “D” is not brought up to a “C” or higher by the end of the next grading period, the student will lose their office. A grade of “F” will result in the immediate removal of office with no probationary period.

### **National Technical Honor Society**

The following criteria must be met to be inducted into the NTHS:

1. Desire to pursue a career.
2. Recommendation of program and academic instructor(s), advisor or administrator.
3. Have a 97% combined attendance rate.
4. Have a minimum cumulative 3.25 GPA or higher (with no D or F grades for semester grades).
5. Graduating Senior.
6. Be in good academic standing at VSCTC and their partner school.
7. Have met or be on track to meet all state graduation requirements, have passed all required program requirements, and must be program completer.
8. Discipline free; no major disciplinary issues.
9. Program grades “A” average over the career of VSCTC student.
10. Final approval by VSCTC Director and Assistant Directors.
11. All fees must be paid in full.

### **Job Placement**

A student may earn the privilege to participate in various work release programs sponsored by VSCTC. The objectives of the work release programs are:

1. To provide experience on specialized equipment not available to students in their field of study.
2. To provide the student with on-the-job experience in related business and industry.

On early placement/pre-apprenticeship placement, students must maintain a "C" average or higher in all subjects and have a 93 percent or higher attendance average. Students must also be a member of Drug Free Clubs of America. Students requesting early placement/pre-apprenticeship placement must obtain the proper forms from the Job Placement Coordinator and gain approval prior to placement. All work release students must follow program guidelines and have school fees paid. Students must have completed and passed all skill attainment and industry certification testing to apply for work placement. It is the discretion of the VSCTC staff to permit the student to participate in these programs. Students may be removed from work sites at the discretion of administration and student services.

## **ATTENDANCE**

### **Attendance and Tardiness Policy**

Regular daily attendance is key to a good education and a requirement of Ohio Law for all students under the age of 18. For students 18 or older, attendance is not compulsory and the privilege of attending is granted until it is abused. Frequent absences and being late for class disrupt the continuity of classroom and lab experiences. Interaction with the teacher and other students provides invaluable insights into today's world. Students are expected to be in school every day and on time for class.

The law lists the following circumstances for which a pupil may be legally absent from school:

1. Personal or extended family illness verified by a doctor in writing, copy of medical bill, or hospital release.
2. Legal business may be verified by a note from the court or other court documentation.
3. Quarantine of the home verified in writing by a doctor or health official.
4. Observance of a bona fide religious holiday. Participation may be documented with a program from the service or a note from the religious leader.
5. Death of a relative can be documented with a copy of the obituary or a program from the funeral.

## **Attendance Reporting**

Proper reporting of tardiness and absenteeism is very important to business, industry and VSCTC. In order to prepare students for the world of work, VSCTC requires that parents/guardians call VSCTC on the day of their child's absence. If parents/guardians cannot call, they must have their child bring a note from them on the day their child returns to school. Failure to do so will result in being marked as unexcused and receiving no credit for the day. After one week from return of absence, if the student still has no verification of absence from the parent/guardian, the student may be considered truant. The only way an unexcused absence can be changed to an excused absence within one week from return of absence is by a doctor's excuse or verification from the home school. Doctor's excuses will only be accepted for appointments during Vanguard-Sentinel time and appointments for the student and or IMMEDIATE family. Students have one week from return of an absence to present a doctor's excuse. When returning from an absence, students must go to the office before class begins to get an admit slip to present to their instructor.

## **Excused and Unexcused Absence Policy**

The attendance policy at the VSCTC requires all students who are absent for more than 40 hours in a school year to have a physician/medical excuse for any absences to be excused. Doctor's excuses will not count toward the 40 hours. Students have one week to get the doctor's excuse turned into the office. A student will be considered excused in their first 40 hours if the student's parent or guardian calls or provides a note for their absences. Any absence over 40 hours in a school year that are not verified by a doctor's excuse will result in the student receiving a zero for the day.

Excessive absences without legitimate excuse can lead to students meeting the status of Habitually Truant as well as Excessively Absent as outlined below.

### **Habitual Truant**

Students who meet the definition of "habitual truant" are:

1. Absent 30 or more consecutive hours without a legitimate excuse;
2. Absent 42 or more hours in one month without a legitimate excuse;
3. Absent 72 or more hours in one year without a legitimate excuse;

Once a student has reached “habitual truant” status the following will occur:

1. The student along with parents or guardians will participate with absence intervention team members to develop an absence intervention plan for the student.
2. If the student does not make progress on the plan within 61 days or continues to be excessively absent, the district will file a complaint into the county juvenile court.

### **Excessive Absences**

Excessive absences include:

1. Absent 38 or more hours in one school month with or without a legitimate excuse;
2. Absent 65 hours in one school year with or without a legitimate excuse;

A student who misses 20 consecutive school days without medical documentation may be withdrawn and returned to their associate school.

Any student accumulating 20 or more unexcused absences during their junior year may be returned to his/her home school after reviewing attendance, discipline, and grades.

### **Absences Planned in Advance**

A student or parent/guardian/custodian needs to notify the school in advance of any:

1. Doctor/Dentist appointments (encouraged to be made outside of school hours).
2. College Visits: Senior students are allowed two (2) visits during their senior year. Juniors are allowed one (1) visit during the second semester. Verified college visits not exceeding the maximum allotted and are during VSCTC time are not counted against the perfect attendance policy. A two-day advance notice is required. In order for the absence to be excused, the student must obtain the signature, on the form, of the college personnel that they met with along with time of arrival and departure. Students with twelve or more days of absence will not be eligible for college visits.
3. Military Testing: The student who is going to be absent must obtain a leave of absence form and follow administrative regulations. Military tests will be considered administrative absences.
4. Appointments with Public Agencies (encouraged to be made outside of school hours).

5. **Family Vacations:** The Board does not believe that students should be excused from school for vacations or other nonemergency trips. The responsibility for such absences resides with the parent(s), and they must not expect any work missed by their child to be retaught by the teacher. If the school is notified in advance of such a trip, reasonable efforts are made to prepare a general list of assignments for the student to do while he/she is absent
6. **Test for Driver's License** (encouraged to be made outside of school hours). Requires prior administrative approval.
7. **Job Orientation:** Orientations need to have prior approval. Official letter from place of employment is required as a follow-up for absence approval.

Students are required to bring in documentation verifying their appointment, vacation or visit. If because of some family responsibility it is necessary for a student to be absent from school for circumstances other than those allowed by the Ohio Revised Code, such request must be made by the parent or guardian prior to the absence.

### **Tardiness**

When arriving late to school, students must stop in the office to receive an admit slip. A morning student will be considered tardy up to 9:20am. A student arriving after 9:20am will be considered absent in the AM and will need to verify the absence to avoid discipline for truancy. Sentinel CTC students have until 12:50pm to report before they are considered absent.

As part of VSCTC's attendance policy, tardiness and the refusal to verify absences will be reflected in a student's grade. All grades will include an attendance/timeline component.

### **Driver's License Revocation**

The Vanguard-Sentinel School District may notify the Bureau of Motor Vehicles of any student violating the following:

1. Withdrawal from school prior to the age of eighteen years.
2. Having unexcused absences from school for ten (10) consecutive or fifteen (15) total days
3. Violating the district's drug and alcohol policy.

Upon notification, the Bureau of Motor Vehicles may revoke the student's driver's license or right to apply for a license until the age of eighteen years.

### **Student Request to Leave VSCTC During the Day**

Permission to leave the building during the school day will be granted only by the Administration. This includes all 18-year olds. IN ALL CASES, verification from home is necessary and student must sign out at the office. Students failing to follow proper procedures will be considered truant. All notes requesting early dismissal must be turned into the Attendance Secretary in the main office.

### **STUDENT CODE OF CONDUCT**

The Vanguard-Sentinel Career Centers Administration realizes that there are varying degrees of involvement in the violation of school-adopted rules and regulations. When these rules are violated by a student, there are many factors which must be considered as to the appropriate disciplinary action to be taken. Disciplinary action may include but not be limited to the following:

1. Verbal or written warning or reprimand
2. Removal of privileges (may include driving, technology, field trips and/or youth club activities)

5. Emergency removal
6. Conference with parents/guardians and student
7. Saturday/extended school day/extended school year suspension

All Vanguard-Sentinel Career Center rules and regulations are in effect during all school-sponsored activities.

All suspensions and/or expulsions will be in accordance with the procedures outlined in the Ohio Revised Codes 3313.66 and 3313.661. If a student is suspended or expelled by the home school or VSCTC, the student may not be present on school property of either school and will not be permitted to attend classes or activities of either school during the period of time in which such action is in effect. A student has the right to appeal the suspension and/or expulsion to the Board of Education or its designee. A student will have 3 school days after the date of the suspension in which to file an appeal.

Should a student who is 18 or older or a student's parent(s) or guardian(s) choose to appeal the suspension, he/she must do so within 10 days of the notice of suspension. The procedure for such will be provided in regulations approved by the Board. A verbatim record will be kept of the hearing which may be held in executive session at the request of the student, parent or guardian. In the cases of expulsion, notice of appeal must be filed with the Treasurer within three days of the Superintendent's decision.

Should a student receive consequences; i.e., SSBE/Alternative school, at his/her home school that prevents him/her to attend Vanguard-Sentinel for the day(s), the student will be marked unexcused for the day(s). In addition, any student emergency removed from his/her home school for the remainder of the school day will be marked unexcused.

Students who violate the following rules, regulations, and policies may receive disciplinary action ranging from verbal warning to expulsion. Specific disciplinary action and credit recovery shall depend upon the severity of the offense and/or the number of times the student has been involved in school problems.

### **The VSCTC Dress Code and Campus Shirt Policy**

The Vanguard-Sentinel Career and Technology Centers requires all students to wear Campus Shirts during the school day and follow the VSCTC dress code. This policy is established to promote pride within the VSCTC, improve the overall climate within the schools, and promote discipline within the buildings. The dress code and Campus Shirt policy is also designed to promote a work-style environment and prepare students to

further their education or enter the workforce. Campus Shirts must conform to the following guidelines:

Any violation of these rules will result in suspension, recommendation of expulsion, and notification of the appropriate law enforcement agencies. Evidence of consumption of alcohol or drugs at school or a school related event is a violation of the VSCTC Drug and Alcohol Policy. Odor of a drug on student's person will constitute possession and/or evidence of consumption for school disciplinary action.

### **Dangerous Weapons**

Students are prohibited from bringing, possessing or using a firearm on school property, in a school vehicle or to any school-sponsored activity. If a student brings, possesses or uses a firearm on school property, in a school vehicle or to any school-sponsored activity, the Superintendent may expel this student from the school for a period of one calendar year. Any such expulsion shall extend, as necessary, into the school year following the school year in which the incident occurred.

Students are also prohibited from bringing, possessing or using knives on school property, in a school vehicle or to any school-sponsored activity. The definition of a knife includes, but is not limited to, a cutting instrument consisting of a sharp blade fastened to a handle. If a student brings, possesses or uses a knife on school property, in a school vehicle or to any school-sponsored activity, the Superintendent may, if authorized by the Board, expel the student from school, with the same expulsion implications as noted above.

The board may extend the right to expel a student for reasons beyond the possession or use of a firearm or knife. VSCTC reserves the right to monitor, inspect, copy, review, and store at any time, without prior notice, any and all usage of the computer network and Internet access and any and all information transmitted or received in connection with such usage. Users should not expect that files will always be private; they can be deleted by the network administrators. All such information files shall be and remain the property of VSCTC and no user shall have any expectation of privacy regarding such materials.
3. When students leave their computer workstation, they should log off or lock their computer so no other student can access their files or computer.
4. If students lose computer privileges of any sort, they are still responsible to complete all projects that require computer access outside of school.
5. The following list includes, but is not limited to, violations deemed inappropriate by VSCTC administration on the use of the computer, network, and servers:
  - Harassing, insulting, or attacking others through the school network or from home to school computers
  - Damaging computers, computer systems, or computer networks or servers

- Using the instructor's computer without their permission
- Hacking: using/attempting to use VSCTC's network to gain unauthorized access to other computer systems
- Use of VPN or other means to circumvent the Internet Filtering Policy

Failure to follow the rules concerning computer and network usage will revoke a student's use of any computers and network access at VSCTC, will jeopardize grades, and will result in other disciplinary and/or legal actions.

## **Harassment, Bullying, Cyberbullying, and Intimidation Policy**

### **Bullying/Cyberbullying**

Bullying in Ohio schools is defined in Ohio law (Ohio Revised Code 3313.666(B)(E) as any intentional written, verbal, graphic, or physical act that a student or group of students exhibits toward another particular student more than once, and that behavior both: causes mental or physical harm to the other student; and is sufficiently severe,

persistent or pervasive that it creates an intimidating, threatening, or abusive educational environment for the other student. Cyberbullying is the above prohibited behavior perpetuated with computers, cell phones, internet websites, and/or any other electronic device.

While the majority of these issues may occur “on school property”, or “at school events”, it should be noted that discipline involving bullying may also include where the bullying originates as well as where it is communicated. If the act of bullying occurs off school property/during non-school hours, it may still result in school discipline if there is a disruption in the learning environment in the school setting.

Any acts of bullying, as defined above, should be reported immediately to school administration. Penalties for such behavior are covered in the student handbook, and may include a range of disciplinary action including suspension from school.

Sexual, racial or any other forms of harassment by school employees, other students, or third parties (regardless of race, color, national origin, sex, age or disability) is prohibited.

### **Sexual Harassment**

- B. Verbal: The making of written or verbal sexual innuendoes, suggestive comments, jokes of a sexual nature, sexual propositions, or threats to or by a fellow student, staff member, or other person associated with the district, or by third parties.
- C. Non-Verbal: Causing the placement of sexually suggestive objects, pictures, or graphic commentaries in the school environment or the making of sexually suggestive or insulting gestures, sounds, leering, whistling, and the like to or by a fellow student, staff member, or other person associated with the district, or by third parties. This includes the use of electronic media that disrupts the educational process.
- D. Physical Contact: Threatening or causing unwanted touching, contact, or attempts at same, including patting, pinching, brushing the body, or coerced sexual activity to or by a fellow student, staff member, or other person associated with the district, or by third parties.

The purpose of this provision is to:

1. Protect the confidentiality of the student who files a complaint;

2. Encourage the reporting of any incidents of sexual, racial, or other forms of harassment;
3. Protect the reputation of any party wrongfully charged with harassment.

Investigation of a complaint will normally include conferring with the parties involved (if under 18 years of age, may include parents), and any names of apparent witnesses. All students and others involved are to be protected from coercion, intimidation, retaliation, or discrimination for filing a complaint or assisting in an investigation.

The district recognizes that determining whether a particular action or incident is harassment or, conversely, is reflective of an action without a discriminatory or intimidating intent or effect must be based on all facts in the matter. Given the nature of harassing behavior, the district recognizes that false accusations can have serious effects on innocent individuals. Therefore, all students are expected to act responsibly, honestly, and with the utmost candor whenever they present harassment allegations or charges against school employees, other students, or third parties.

### **Race, Color, National Origin and Disability Harassment**

A. Verbal: written or verbal innuendoes, slurs, comments, jokes, insults, threats, or disparaging remarks concerning a person's race, color, national origin, sex/gender, disability, religious beliefs, etc., to or by a fellow student, staff member, or other persons associated with the district, or by third parties.

B. Non-Verbal: placing object, pictures, or graphic commentaries in the school environment or making insulting or threatening gestures to or by a fellow student, staff member, or other person associated with the district, or by third parties. This includes the use of electronic media that disrupts the educational process.

C. Physical: any intimidating or disparaging action such as hitting, hissing, cussing, spitting, hazing, bullying on or by a fellow student, staff members, or other persons associated with the district, or by third parties.

Any student who believes that he/she is the victim of any of the above actions, or has observed such actions taken by another student, staff member, or other persons associated with the district, or by third parties should promptly take the following steps:

1. If the alleged harasser is a student, staff member, or third party, or other persons associated with the particular school in the district other than the Assistant Director of Operations, the affected students or their parents/guardians should, as soon as possible after the incident, contact the Assistant Director of Operations

The student or parents/guardians may make contact either by a written report or by telephone or personal visit. During the contact, the reporting student should provide the name of the person(s) who he/she believes to be responsible for the harassment and the nature of the harassing incident(s).

Each report received by the Assistant Director of Operations as provided above, shall be investigated in a timely and confidential manner. While a charge is under investigation, no information is to be released to anyone who is not involved with the investigation, except as required by law or is in the contact of a legal administrative proceeding. No one involved is to discuss the subject outside of the investigation.

- Protection Orders: A student who is the petitioner of any protection order must provide a copy of the legal order to the Assistant Director of Operations.

## **GUIDANCE**

### **Schedule Changes**

Students having a schedule conflict must contact a guidance counselor in the office immediately. All schedule changes will be handled by the Guidance Department with the final approval from the building Director.

### **Student Services**

Guidance services are available for all students. Your counselor may help you develop a better understanding of your abilities, attitudes, interests, and accomplishments. You may visit with your guidance counselor before or after school, during lunch, or during class with permission from your instructor.

### **Flexible Credit**

VSCTC offers students the option of credit flexibility. Credit flexibility is any alternative course work, assessment, or performance that demonstrates proficiency needed to be awarded equivalent graduation credit as approved by the school district. Approved credit awarded through this policy will be posted on the student's transcript and counted as required graduation credit in the related subject area or as an elective.

### **College Credit Plus**

Students enrolled in a Vanguard Tech Center program with a College Credit Plus component are expected to maintain regular attendance at their CCP classes. The Vanguard Tech Center will help provide transportation to and from off campus classes when possible. However, the final responsibility for transportation to and from classes lies on each student and/or their parent/guardian. CCP courses are taught by and graded by CCP faculty and are not factored into The Vanguard Tech Center lab grades. During a day of inclement weather students are responsible for any CCP classwork which may include "on-line" classwork. A student who fails his/her CCP course may be billed for the course.

## **GENERAL POLICIES**

### **Board Policy**

Students are responsible to all VSCTC Board policies as listed in the Vanguard-Sentinel Career and Technology Center Policy Manual.

The VSCTC admits students without regard to sex, race, creed, national origin, or handicap, but may limit admission to the space and facilities available.

Home school calendars may differ from the VSCTC calendar (i.e., Winter Break, Spring Break, parent conference, etc.). However, students are required to follow the calendar of VSCTC.

### **Equal Opportunity**

If any student or staff believes that VSCTC or any of the district's staff has inadequately applied the principles and/or regulations of (1) Title VI (race, color, national origin) of the

Civil Rights Act of 1964, (2) Title IX (sexual discrimination) of the Educational Amendment Act of 1972, (3) Section 504 (disability) of the Rehabilitation Act of 1973, and/or (4) the Age Discrimination Act of 1975, as amended, 20 U.S.C. etc. Seq., he/she may bring forward a complaint, which shall be referred to as a grievance to the District's Compliance Officer, who may be reached at (419) 332-2626.

### **Grievance Procedure**

If a grievance is not satisfactorily settled by the building administrator and/or the Title VI, Title IX, Section 504 coordinator, the grievance will be presented to the Superintendent for a decision. If the grievance is not satisfactorily settled by the Superintendent, the complaint is to be forwarded to the: U.S. Department of Education, Team Leader, Office of Civil Rights, 600 Superior Avenue East, Suite 750- Bank One Centre, Cleveland, Ohio 44104-2611.

### **Positive Behavioral Interventions and Supports (Restraint and Seclusion)**

The VSCTC implements PBIS on a system-wide basis. Restraint or seclusion shall not occur, except when there is an immediate risk of physical harm to the student or others, and shall occur only in a manner that protects the safety of all children and adults at the school. Every use of restraint or seclusion shall be documented and reported in accordance with OAC 3301-35-15.

All student personnel, as defined by OAC 3301-35-15, are trained annually on the PBIS policy.

Parents wishing to initiate a complaint investigation by VSCTC regarding incidents of restraint or seclusion may do so by calling (419) 332-2626 x2319.

## **APPENDIX A**

### **Bring Your Own Technology (BYOT)**

#### **A guide for Students, Staff, and Parents**

#### **Purpose**

Vanguard-Sentinel Career & Technology Centers are committed to moving towards a 21st century learning environment. As part of this commitment, Vanguard-Sentinel Career & Technology Centers allows students, staff and community members access to a new "Public" wireless network, using their own technology. With teacher / staff

approval, students will be able to access a filtered Internet connection to be used for educational purposes. We realize that not every student owns a device; and for those who do, some may choose not to bring their personally-owned technology to school. Additionally, there is absolutely no expectation that parents should provide a device to their child for this program.

**Plan**

Students, staff, community members and guests may begin bringing their devices to School. Users will be prompted to accept the Vanguard-Sentinel Career & Technology Centers Public User Agreement every 4 hours. Students, staff and other district employees will be responsible for adhering to all other district/building acceptable use policies, codes of conduct, or administrative guidelines while using the district’s public network.

Students, staff, community members and guests who do not accept the VSCTC Public User Agreement form will not be permitted network access. Once a user has accepted the VSCTC Public User Agreement form, they will have access to a filtered Internet connection where users are not permitted to bypass this filter for any reason.

**Policy**

---

**Definition of “Technology”**

For the purpose of this B.Y.O.D/B.Y.O.T. program, “Technology” means any privately owned or assigned from another school district wireless communication device or portable electronic equipment. This includes, but is not limited to: smartphones, tablets, netbooks, iOS devices, and laptops. Cell phones have their own independent policy.

**Areas / Times of Use:**

Area / Time of Use	Use Permitted?
Classrooms	Staff Discretion
Hallways / Class Change	Yes
Restrooms / Locker Rooms	No
Cafeteria / Lunch	Yes
District Sponsored Extra-Curricular	Staff Discretion

## **Internet Access**

When using personal devices at school, students will only be permitted to access the Internet through the Vanguard-Sentinel Career & Technology Centers “VSCTC-Public” wireless network. This is the same “Filtered” Internet connection that all school computers use. VPN’s or other means of circumventing the web filter are a violation as outlined in Computer Use Agreement.

## **Security and Damages**

The responsibility to keep any personally owned device secure and safe rests entirely with the individual owner. Vanguard-Sentinel Career & Technology Centers is not responsible for any device damaged or stolen while on district property. It is recommended that all devices be labeled or otherwise identified before being brought to school.

## **Privileges and rights**

Use of this wireless resource is a privilege, not a right, intended to enhance teaching and learning. Users may be denied access at any time, for any reason. Students should not have the expectation of privacy on any device they bring into the Vanguard-Sentinel Career & Technology Centers. If staff members suspect improper use and/or abuse of this or related policies, they have the right to examine related BYOT student technology at any time.

## **Guidelines**

In addition to the Vanguard-Sentinel Career & Technology Centers Student Acceptable Use Policy, student code of conduct, board policies, building policies and administrative guidelines already in place, there are additional guidelines / policies users should be aware of:

1. All devices should -- by default -- be set to mute/silent.
2. Students are prohibited from using electronic devices to capture, record, or transmit the audio or images (i.e. pictures / video), of any student, staff member, or other person on school property or while attending a school-related activity without the express prior notice and explicit consent for the capture, recording or transmission of such audio or images. Using an electronic device to capture, record or transmit audio or images of an individual or group without his/her/their consent is considered an invasion of privacy and is not permitted. Students who violate this provision and/or use an electronic device to violate the privacy rights of another person may have their device confiscated and held until the end of the school year. Additional consequences may apply at the discretion of the principal, or designee.
3. Student use of any electronic device while in class, while participating in school activities (*e.g. extra-curricular activities*) and while participating in school-related functions is restricted to academic or instructional purposes only, as determined

by the instructor. During these times, the use of such devices for personal, business or entertainment purposes is prohibited (e.g., no games).

4. Vanguard-Sentinel Career & Technology Centers will not provide access to our internal resources or servers to any personally-owned devices.
5. Vanguard-Sentinel Career & Technology Centers will not provide access to our copiers or printers to any personally-owned devices.
6. Vanguard-Sentinel Career & Technology Centers or its staff will not provide any technical assistance on personally-owned devices. Users are directed to utilize their user manuals and other resources provided by their device manufacturer for technical assistance.
7. Vanguard-Sentinel Career & Technology Centers will not provide the opportunity to charge any personal device. It is the responsibility of the user to have a properly charged device before school.

## Frequently Asked Questions

---

### STUDENTS:

*When I have my device at school, how do I access the "Public" wireless network?*

**Answer:** Most devices will detect the "VSCTC-Public" wireless network automatically and prompt you for a username/password. You should use the username/password that is assigned to you for workstations. Do not share this username/password with any student or staff member.

*My device is not prompting me to join the "Public" wireless network. Is there another way to connect?*

**Answer:** Usually your device will have an area for network settings that will allow you to enter the posted network information manually. You will need to consult your user manual.

*I brought my device to school to use in the classroom, but my teacher said I could not use it in his / her classroom. Can I still use my device?*

**Answer:** No. The classroom teacher has the final say in his / her classroom.

*I am having difficulty connecting my device to the "Public" wireless network. Can I get a Vanguard-Sentinel Career & Technology Centers Staff member to help?*

**Answer:** Your device is your responsibility. VSCTC staff members are not responsible for troubleshooting personal devices.

*Can I access my building's server account from my personal device?*

**Answer:** No. Students will be able to access the internet which includes ITSLearning, APEX, credit recovery application and district web page. Personal e-mail and inappropriate sites will continue to be filtered.

*Can I print to the school district's printers and copiers from my personal device?*

**Answer:** No. You will need to open the file on a district owned device and get permission from a staff member to print.

*My device was stolen / damaged at school, what should I do?*

**Answer:** While Vanguard-Sentinel Career & Technology Centers are not responsible for damage or theft of personal technology devices, you should report the theft or damage to the building administration like you would any "normal" theft or damage to personal property.

*Why am I filtered on my own device? Shouldn't I be able to see what I want to on my own device?*

**Answer:** Internet filtering is a requirement of all public schools, per The Children's Internet Protection Act (CIPA). This requires all Internet access to be filtered regardless of the tool used while in a public school. Your device may be yours, but you are using the District's network to connect to the Internet and we are required to filter that connection. All internet access will be logged. Use of a VPN is strictly prohibited.

*Will I still be held accountable for violating the Vanguard-Sentinel Career & Technology Centers Student Acceptable Use Policy (AUP) on my own device?*

**Answer:** Yes. The AUP applies to your actions while on district property and is independent of the device used.

## **STAFF:**

*My classroom is not conducive to student owned technology, am I required allowing my students to access their devices in my classroom?*

**Answer:** We encourage all teachers and staff to consider ways to incorporate and leverage student-owned devices in support of increased productivity and enhanced teaching & learning. However, there is no requirement that you allow students access to their personal devices.

*Some students may have difficulty accessing the “public” wireless network with their devices. I don’t have time in class to help them with this. Should I fill out a technology help desk ticket request or contact the Tech Department?*

**Answer:** No. Students are responsible for working through their own technical difficulties on their own devices, not Vanguard-Sentinel Career & Technology Centers staff. These are not our devices, and we can’t allocate resources to support them. You are welcome to help if you choose.

*I have students accessing the Internet using their or another student’s data plan (AT&T, Sprint, Verizon) on their device or through a Wi-Fi hot spot created by another student’s device, hence bypassing our web filter. Is this a violation of the Vanguard-Sentinel Career & Technology Centers Acceptable Use Policy?*

**Answer:** Yes. This is a violation of our current policy and the BYOD/BYOT policy. Students are not permitted to access the Internet via an unfiltered connection while on District property. If you find students accessing the Internet this way, please confiscate the device and inform the administration for possible disciplinary consequences.

*I would like to bring my device to use in my classroom. Will the district load our anti-virus or other software title(s) to my device?*

**Answer:** No. You will not have access to district-owned resources on your personal device. These resources may include software, printers, servers, etc.

*What are my responsibilities concerning enforcement of these new policies?*

**Answer:** Because the main goal of our BYOD/BYOT policy is to support teaching and learning at Vanguard-Sentinel Career & Technology Centers, teachers can be expected to manage this policy as they would most student policies. That is, if students choose to abuse this privilege or make choices that impede their own or others’ learning, teachers have the right and responsibility to provide effective classroom management. This means that teachers may monitor students on-task, redirect inappropriate choices, and even make office referrals. Ultimately, students are expected to be responsible for understanding the expectations of the BYOD/BYOT policy and abiding by its rules and guidelines -- in the school and in your classroom. If there is any confusion around this policy, it is the student’s responsibility to ask you questions and obtain the necessary clarifications and guidance.

*What should I do if a student reports a lost, missing, or stolen item?*

**Answer:** Students’ technology is their responsibility and we will encourage them to keep it with themselves or store it in a locked locker. While we will support the BYOD/BYOT policy through assemblies and/or common-sense coaching, the unfortunate reality is that a device may go missing occasionally. If the loss occurs in your classroom (i.e, during class), manage the situation as you might for any lost, missing, or potentially stolen item.

Often times, the classroom community will support the rightful return of the missing item. If it appears a theft has occurred, a teacher should direct the student to the administration to report their loss, leave a statement, and/or file a police report.

## **PARENTS:**

*I will be permitting my student to bring a device to school. Will s/he be accessing the same resources as a school device?*

**Answer:** No. Students will only access the Internet -- and any web based resources like ITSLearning, APEX, credit recovery application, ProgressBook, etc. -- through a filtered connection. *NOTE:* Some devices (like the iPad) don't support all technologies, such as Flash, which may be required to access some district-provided web resources.

*Am I required to load any additional software before my student brings his / her device to school?*

**Answer:** Not currently. Anti-virus software, however, is always advised as other students / staff may have devices without anti-virus software and/or with infections. The Vanguard-Sentinel Career & Technology Centers is not responsible for damage or data loss on your personal device.

*I would like to allow my student to bring a device to school, but not have access to the Internet. Is this possible?*

**Answer:** You are responsible for conveying your expectations to your student and you may manage their device as you see fit. There are many software programs you can use to "lock down" your student's device. It is, however, not the Vanguard-Sentinel Career & Technology Centers responsibility to ensure your student follows your rules. It is also not a requirement that student devices be connected to our wireless network; they may use devices without an Internet connection. Our policy does state that students may not use any other network or service to connect to the Internet while on district property; they must use our filtered wireless network for Internet connectivity.

*My organization is using a Vanguard-Sentinel Career & Technology Centers building for a meeting, activity or event. May we use the "Public" wireless network?*

**Answer:** Yes, you will need to sign a Vanguard-Sentinel Career & Technology Centers District Public User Agreement Form. You will be assigned a temporary guest account. Your web browser will be automatically redirected to this web form upon launch and be prompted for username/password.

*My student's device was stolen or damaged, what recourse can I take?*

**Answer:** The Vanguard-Sentinel Career & Technology Centers is not responsible for any theft or damage to personally-owned devices. Theft or vandalism should be reported to building administration so they can take appropriate actions in these cases.

*What are the rules my student will need to follow while using their device?*

**Answer:** Your student will be responsible for following all district rules, regulations, and policies as well as following the Student Handbook Staff members may also choose to limit, restrict, or prevent student device use in his / her individual classroom as he / she determines.

*My student neither owns a device nor would I be willing to allow my student to bring a device to school. Will my student be penalized or miss out on instruction?*

**Answer:** Absolutely not! Vanguard-Sentinel Career & Technology Centers Staff members will not require the use of personally-owned device for instruction.
