SCHOOL HISTORY

HISTORY

Vanguard Joint Vocational School opened in September 1968. The District began with one building, the Vanguard Career Center in Fremont, Ohio. In September 1972, the new Vanguard Technical School opened their new facility on Cedar Street. The district has since grown to provide our communities with three centers. The Sentinel Career Center, Tiffin Ohio was built in 1985 to offer a satellite location. In September 1985, the Vanguard District name was officially changed to Vanguard Sentinel Joint Vocational School District. The Technology Center in Fremont, Ohio was added in 1995, to house the majority of the Adult Education offices and classes as well as the high school Tech Prep programs.

The district began offering Adult Education programs in 1968 with 100 adult students enrolled. Classes were held during evenings using the vocational equipment and facilities. By 1988, there were over 3,000 students in the district taking adult education at both Vanguard and Sentinel.

On August 18, 2011, the District voted to change the name to Vanguard-Sentinel Career & Technology Centers.

The district celebrated 50 years of success during the 2018-19 school year beginning with the 50th Anniversary Open House.

The Vanguard-Sentinel Career & Technology Centers was accredited by North Central Association (NCA) since 1998. Vanguard-Sentinel Career & Technology Centers is currently accredited by the Accrediting Commission of Career Schools and Colleges (ACCSC). The Accrediting Commission of Career Schools and Colleges (ACCSC) is a recognized accrediting agency by the U.S. Department of Education.

SCHOOL VISION & MISSION

Vision

VSCTC will be a recognized center of excellence for life-long learning focused on unbiased personal and workforce development through partnerships with business, industry, other post-secondary educational facilities and the surrounding communities.

Mission

VSCTC believes in providing the entire adult community with learning processes that focus on essential skills and knowledge for career enhancement and advancement, while supporting productive, successful citizens within our diverse communities.

SHORT-TERM GENERAL CLASSES

Basic Precision Machine - 75 Hrs.

- Blueprint Reading & GD & T
- Manual Mill, Lathe & Drill Press
- CNC Machine Functions
- \$975* (tuition, books, supplies)
- Evenings | Tiffin Campus

Telecommunications Tower Technician I - 250 Hrs.

Train to become an entry-level Telecommunications Tower Technician and help connect America's communities with broadband and highspeed communications services. You'll learn safety, basic rigging and fall protection, principles of electricity, fiber optics, wireless technology, cell components, antenna basics, and spectrum management.

Welding - 96 Hrs.

- Safety
- Oxy Fuel Cutting
- SMAW, GTAW-TIG, GMAW-MIG
- \$1,980* (tuition, books, supplies, required PPE, 1-time AWS credential testing)
- Evenings | Fremont Campus

*Tuition subject to change

DIVERSIFIED MEDICAL OCUPATIONS

Full-Time Program

Allied health professionals work in healthcare teams to provide a wide range of patient care and support services to other health professionals. Prepare to be an entry-level Medical Assistant or Phlebotomist in one academic year. Instruction is done on-site on the Fremont Campus in our well-equipped classrooms and lab facilities.

The full-time certificate program is very fast paced and begins with an intensive core curriculum in the following:

- **Anatomy & Physiology**—Primary course covering 14 systems of human A&P.
- **Medical Terminology & Medical Abbreviations**—Builds a working medical vocabulary using suffixes, prefixes and root words in the context of human anatomy and physiology. Master a minimum of 250 medical abbreviations.
- **Medical Math**—Includes ratio, proportion, fractions, percentages and metrics related to the medical field.
- **Allied Health**—Provides the knowledge base, skills, and behaviors required of an entry-level allied health technician: medical office patient care skills, including interpersonal communication techniques, professionalism, customer service, records management, HIPAA, electronic health records, assessing and recording vital signs, collecting and processing lab specimens, performing EKGs, medication administration, preparing patients for examinations and infection control.

The second phase of instruction offers individualized instruction in either career pathway:

- **Medical Assistant**—Instruction will focus on administrative and clinical tasks done in the offices of physicians, clinics and other health practices. This will include basic information related to coding, billing, electronic health records and insurances.
- **Phlebotomist**—Information and practical instruction will focus on the latest procedures for the collection of diagnostic venous blood specimens, CLIA-waived testing, preventing errors, and infection control related to the inpatient setting.

The final phase of instruction is completed in a local healthcare facility:

- **Clinical Externship**—320 hours of on-the-job, unpaid training in a real clinical setting within the scope of your chosen career pathway.

DIVERSIFIED MEDICAL OCCUPATIONS

CONT'D.

Full-Time Program

Prior to graduation, students will take a certification exam in their specialty area.

Diversified Medical Occupations has a 100% PASS rate on American Medical Technologists National Registry exam since 2006-2022.

College Credit: DMO students gain a definite edge through our articulation agreements with Terra State Community College, Fremont and Franklin University, Columbus.

National Adult Education Honor Society (NAEHS): Each year, students who demonstrate dependable attendance, cooperative attitude, exemplary work ethic and grade point average will be selected for recruitment into the NAEHS.

If you are 18 years of age and possess a high school diploma or GED certificate, call 419.334.6901 ext. 2701 for admission procedure information. Financial aid is available to those who qualify.

Pre-Admission Testing: TABE Level D minimum – For acceptance into the DMO program, candidates must score at or above the following: Reading GE 9.4, Math Computation/ Applied Math GE 9.0, Language GE 9.1.

900 Hours 9 Months	August 2023 – May 2024
Monday – Thursday	8:30 AM – 3 PM
\$8,943* (includes textbooks, supplies, lab fees, WorkKeys, and credential exam fees)	

*Tuition subject to change

PARAMEDIC PUBLIC SAFETY SERVICES

Full-Time Program

The Paramedic is an important member of a healthcare team which provides emergency care in a pre-hospital environment. This 950 hour, 18 month entry-level program is open to students who are certified at the Basic or Advanced level and want to achieve the highest level of certification in pre-hospital emergency care. This course is designed to offer the required curriculum as established by the Ohio Department of Public Safety, Division of EMS under Accreditation #218.

Pre-Requisite—Eligibility includes certified as a Basic or Advanced EMT, must hold a valid driver's license, and have a current BLS HCP certification. Students must complete pre-entrance testing; EMT-Basic Knowledge, Basic Math, and WorkKeys Assessment. Students must have also completed a 48 hour minimum Anatomy & Physiology program.

Anatomy & Physiology—Pre-entrance program of 48 hours minimum which covers all body systems of human anatomy and physiology. The course covers systems as it relates to emergency medicine necessary to function as an entry-level Paramedic.

General Curriculum: The Ohio Department of Public Safety, Division of EMS as of September 1, 2012 designated that the Paramedic curriculum will consist of a minimum of 500 hours of didactic/laboratory and a minimum of 400 hours of clinical externship which includes pre-hospital and in-hospital clinical rotations. The 500 hours of classroom/laboratory will consist of the following areas:

- **Preparatory**—Consists of legal issues, communication, documentation and roles/responsibilities.
- **Anatomy and Physiology**—Covered in all topic areas throughout the curriculum.
- **Medical Terminology**—Medical terms relevant to body systems and conditions.
- **Life Span Development**—Contrast differences between all age groups as it pertains to medical and trauma situations.
- **Public Health**—Covers injury epidemiology and injury prevention. Also, covers principals of public health and involvement of the Paramedic in public health.

PARAMEDIC

PUBLIC SAFETY SERVICES

CONT'D.

Full-Time Program

- **Patient Assessment**—Student will be taught to develop an approach to analyzing what is wrong with a patient and devising a plan for treatment. Taught in all topic areas throughout the curriculum.
- **Special Patient Populations Including OB/Pediatric**—Elderly are a growing population and the student must be familiar with the system changes of a geriatric patient. The pediatric patient covers the age of neonate to adolescent. The student will learn about growth and development changes, medical and trauma issues pertinent to each age group. Also, discussed are pregnancy issues and labor.
- **Medical Emergencies/Pharmacology**—Students will have the capabilities to administer life-saving medications to many different emergencies. Dosages and medical math are included in this section.
- **Trauma Emergencies/Shock and Resuscitation**—Trauma systems, emergencies and treatments will be discussed for all age groups.
- **Ambulance Operations**—Covers driving, positioning, scene management, incident management and rescue. Also, covered is weapons of mass destruction, Hazmat and crime scene awareness.

Students must also demonstrate skill competencies. The 450+ hours of clinical externship will include the students successfully completing skills on patients but also demonstrating competency in each of the following areas:

Patient Assessments: (150 total: 50 adult, 30 geriatric, 12 pediatric including OB) Students will be expected to see a variety of patient encounters meeting a minimum number of competencies while in the pre-hospital and field internship to include chest pain, abdominal complaints, shortness of breath, altered mental status, psychiatric and trauma. Skills include medication administration (various routes), IV access/IO infusion, intubation, EKG monitoring and interpretations, cardiac defibrillation, and ACLS.

PARAMEDIC PUBLIC SAFETY SERVICES

CONT'D.

Full-Time Program

Students who successfully complete the program will be eligible to take the National Registry examination-State of Ohio certification test. Total of six (6) skills will be tested, five (5) currently evaluated in the NRP Psychomotor Examination and one (1) scenario. This out-of-hospital scenario will reflect either a pediatric, geriatric or adult patient. Students will complete a written component as well. Students must pass both sections to be a State of Ohio Paramedic. CoAEMSP Pass Rate: 85.7% (Class of 2021)

Call **567.201.2870** or **567.201.2871** for admission procedure information. Financial aid is available to those who qualify.

FIRE IN-SERVICE

\$35/hr. Second instructor \$30/hr.

PARAMEDIC REFRESHER – 48 HRS.

\$400

PROFESSIONAL FIREFIGHTER – 260 HRS.

Meets or exceeds certification requirements set forth in the Ohio Revised Code for full-time or professional firefighters. Meets training and educational standards identified in NFPA 1001, professional qualifications for Firefighters 1 and 2. Open to all firefighters of any subdivision in Ohio and for others interested in the vocation for firefighter. Must have own SCUBA/air tank and turnout gear. Students are required to have NFPA 1582 physical at the start of program. \$1,850

- Orientation, 1/4/24, T, 6 PM
- Fremont, 1/11/24, T/TH, 6-10 PM
SAT, 8 AM-4 PM

VOLUNTEER FIREFIGHTER – 36 HRS.

This VFF course is an introductory, awareness level course designated to introduce the student to basic elements of fire ground safety and support operations. This specific program is 36 hours with additional 4 hours of life safety initiatives. Students are required to practical test prior to the written test. All students must be sponsored by a fire department. \$550

Classes offered in Fall and Spring in 11 Counties:

- Sandusky, Seneca, Wood, Crawford, Hardin, Wyandot, Hancock, Ottawa, Erie, Huron, and Richland

FINANCIAL AID for PROGRAMS

Financial assistance is available to help pay for tuition, books, tools, supplies and other educational expenses. Each funding service has different eligibility requirements. Please contact **567.201.2856** for more information. The two full-time training programs eligible for financial aid are **Diversified Medical Occupations** and **Paramedic**.

PELL Grant – Non-repayable grants awarded to individuals based on earnings and expected family contribution ability. Grant awards are based on income, family size, etc. The maximum amount for 2023-2024 is \$7,395.00.

Ohio Short-Term Certificate Grant – Students may qualify for a grant to be applied to a short-term certificate program.

Veterans – Veterans may qualify based on terms served and other qualifiers. Contact your local veterans office. VSCTC will not impose any penalty, including the assessment of late fees, the denial to access to class, libraries or other institutional facilities, or the requirement that a Chapter 31 or Chapter 33 recipient borrow additional funds to cover the individuals inability to meet his or her financial obligations to the institution due to the delayed disbursement of a payment by the U.S. Department of Veteran Affairs. The Director will evaluate previous official transcripts and documentation of previous education and training and appropriate what credit will be given towards VSCTC program.

Opportunities for Ohioans with Disabilities (OOD) – Persons with disabilities may qualify for training monies. Contact your nearest OOD office.

OhioMeansJobs – Income status may allow you to qualify for educational assistance through WIA. Displaced workers may qualify for TAA funding.

- Sandusky Co. — 419.332.2169 | Seneca Co. — 419.447.5011 | Ottawa Co. — 419.898.3688

Consumers will find the following information about each of our Title IV funded programs on the individual program link:

TESTING INFORMATION

Microsoft Office Specialist Certifications

Vanguard-Sentinel Career & Technology Centers is an authorized Certiport® testing center. Testing is provided for Microsoft Office Specialist Certifications (Word, Excel, Access, PowerPoint, and Outlook).

Certiport® certifications are valuable, professional credentials which are globally recognized standards for digital literacy and desktop computing proficiency. Candidates who certify on these programs are much better prepared for success in both the classroom and the workplace.

Testing is provided by appointment only.
Call 419.334.6901 ext. 2744

Skill Assessments

ACT WorkKeys Skill Assessments

Job skills assessment system measuring “real world” skills that employers believe are critical to job success. WorkKeys helps you get a better idea of your readiness for the workforce and helps employers select the most qualified candidates for their jobs.

ACT WorkKeys Testing

Testing is required for all Full-Time programs and Adult Diploma Program students. A \$15 fee per test is due at time of testing. Available online. Testing requires 3 hours.

Foundational Skill Assessments

Workplace Documents, Applied Mathematics, and Graphic Literacy

Testing is provided by appointment only.

INSTRUCTOR LED & SELF-PACED ONLINE COURSES

INFO

Instructor-facilitated online courses are informative, fun, convenient, and highly interactive. We offer hundreds of engaging online courses for adults. Each course comes equipped with a patient and caring instructor, lively discussions with your fellow students, and plenty of practical information that you can put to immediate use.

New course sessions begin monthly. All courses run for six weeks (with a 10-day grace period at the end). Courses are project-oriented and include lessons, quizzes, hands-on assignments, discussion areas, supplementary links, and more. Lessons are published twice a week for six weeks, totaling twelve lessons per course. You will receive a certificate upon successful completion of the course.

Courses start as low as \$86. Affordable, fun, fast, convenient, and geared just for you!

HOW TO GET STARTED

1. Visit our Online Instruction Center: **www.ed2go.com/vsctc**
2. Click the **Courses** link, choose the department and course title you are interested in and select the **Enroll Now** button. Follow the instructions to enroll and pay for your course. Here you will enter your e-mail and choose a password that will grant you access to the Classroom.
3. When your course starts, return to our Online Instruction Center and click the **Classroom** link. To begin your studies, simply log in with your e-mail and the password you selected during enrollment.

Requirements:

All courses require Internet access, e-mail, and the Microsoft Internet Explorer or Mozilla Firefox Web browser. Some courses may have additional requirements.

Please visit our Online Instruction Center for more information.

www.ed2go.com/vsctc

GENERAL INFORMATION

OFFICE HOURS

Office hours are Monday-Friday, 7:30 AM-3:30 PM. Evenings and weekends by appointment. A 24-hour automated voicemail system is available.

ACCREDITATION

VSCTC is accredited by the Accrediting Commission of Career Schools and Colleges (ACCSC). The Accrediting Commission of Career Schools and Colleges (ACCSC) is a recognized accrediting agency by the U.S. Department of Education.

ADMISSION

Admission is open to anyone 18 years of age or older and must also possess a high school or GED diploma.

LOW ENROLLMENT CANCELLATION

VSCTC reserves the rights to cancel, discontinue, postpone or combine courses, due to insufficient enrollment. Attempts are made to contact all students whose courses have been canceled. In the event a class is canceled, a full refund will be given.

DISCLAIMER OF EMPLOYMENT GUARANTEE

VSCTC is not responsible for obtaining student employment before or after completion of a course.

ATTENDANCE

To receive a Certificate of Completion, remain eligible for federal financial aid and veterans educational benefits, full-time students need 90% attendance for the entire program. The exception to this guideline is: Students whose attendance falls below 90% may, upon meeting with the instructor, remove an excused absence if assigned class work is completed and turned in to the program instructor within a "reasonable" amount of time. This attendance exception will be documented in the student file and must make the difference between failure and success in the program area.

PAYMENT FOR PART-TIME CLASSES

Full payment for part-time classes (less than 600 hrs. of class time) is due by the first class session if the cost is less than \$100. Make checks payable to Vanguard-Sentinel Career & Technology Centers. MasterCard, VISA, check or cash are also accepted.

For classes over \$100, a \$100 non-refundable deposit is due by the first class session and a Student Payment Plan form must be completed for the remaining balance. Any balance after the \$100 payment may be divided into two equal payments, with the first payment due at the completion of the 1/3 point of the class and the final payment due at the completion of the 2/3 point of the class. Approval of all payment plans will be made by the Director.

Special Note: For those programs with an externship component – all student tuition and fees must be paid in full prior to student being assigned to an externship site. NO EXCEPTIONS!

Students who are receiving tuition payment assistance through an employer or other agency must submit a company purchase order, a tuition voucher or letter of authorization with the amount being paid by the employer or agency listed. This document is submitted when registering for class. Copies of the tuition payment assistance for short-term (part-time) classes will ultimately be on file with the Assistant Treasurer.

STUDENT CONDUCT

Adult students are expected to conduct themselves as adults and it is expected that there will be no disruptive behavior during classes or school related activities. Any student found to be disruptive or causing an interruption in the normal class operations will be advised to cease immediately and may be permanently removed with no refund. If behavior persists, the Director will be asked to intervene. Refer to Student Handbook.

GENERAL INFORMATION

CONT'D.

GRADING/ASSESSMENT SYSTEM

The following grading scale can be used to determine student achievement. In addition to tracking progress through the awarding of a letter grade, the instructor will complete a satisfactory progress report for each 300 hours of the program. The instructor evaluates student progress based on the report criteria, meets with the student individually to discuss their progress, the student and instructor sign-off, and the report is kept as documentation.

A, Superior, 93% - 100%

B, Good, 84% - 92%

C, Passing, 74% - 83%

D-F, Failure, 0% - 73%

SMOKE-FREE CAMPUS

Smoking by students, employees and visitors is not permitted in the building or on the grounds, whatsoever. First offense – verbal warning, staff member will document warning; Second offense – written warning that includes notification should there be a third offense, student will be dismissed; Third offense – dismissal including responsibility for any financial obligations.

STUDENT POLICY & PROCEDURES HANDBOOK

The student handbook can be viewed at www.vsctc.org, Adult Education.

CLOCK HOUR DEFINITION

A clock hour is defined as 50 minutes of training with a 10 minute break.

DOCUMENTATION FOR STUDENTS FROM FOREIGN COUNTRIES

Students from foreign countries must provide a translation and certification of the high school diploma at the US Citizenship & Immigration Services, AJC Federal Building, 1240 E. 9th Street, Rm 501, Cleveland, OH 44199.

REMOTE LEARNING POLICY

All program hours are completed in a typical setting of a classroom, internship or externship through face-to-face contact. Under certain circumstances, VSCTC could be required to complete classroom hours via Remote Learning for the protection of the students. If this does occur, students will be required to complete their assignments online during the time Remote Learning is required. Students are strongly encouraged to have access to reliable technology including internet connection in order to meet Remote Learning requirements.

EMPLOYMENT VERIFICATION

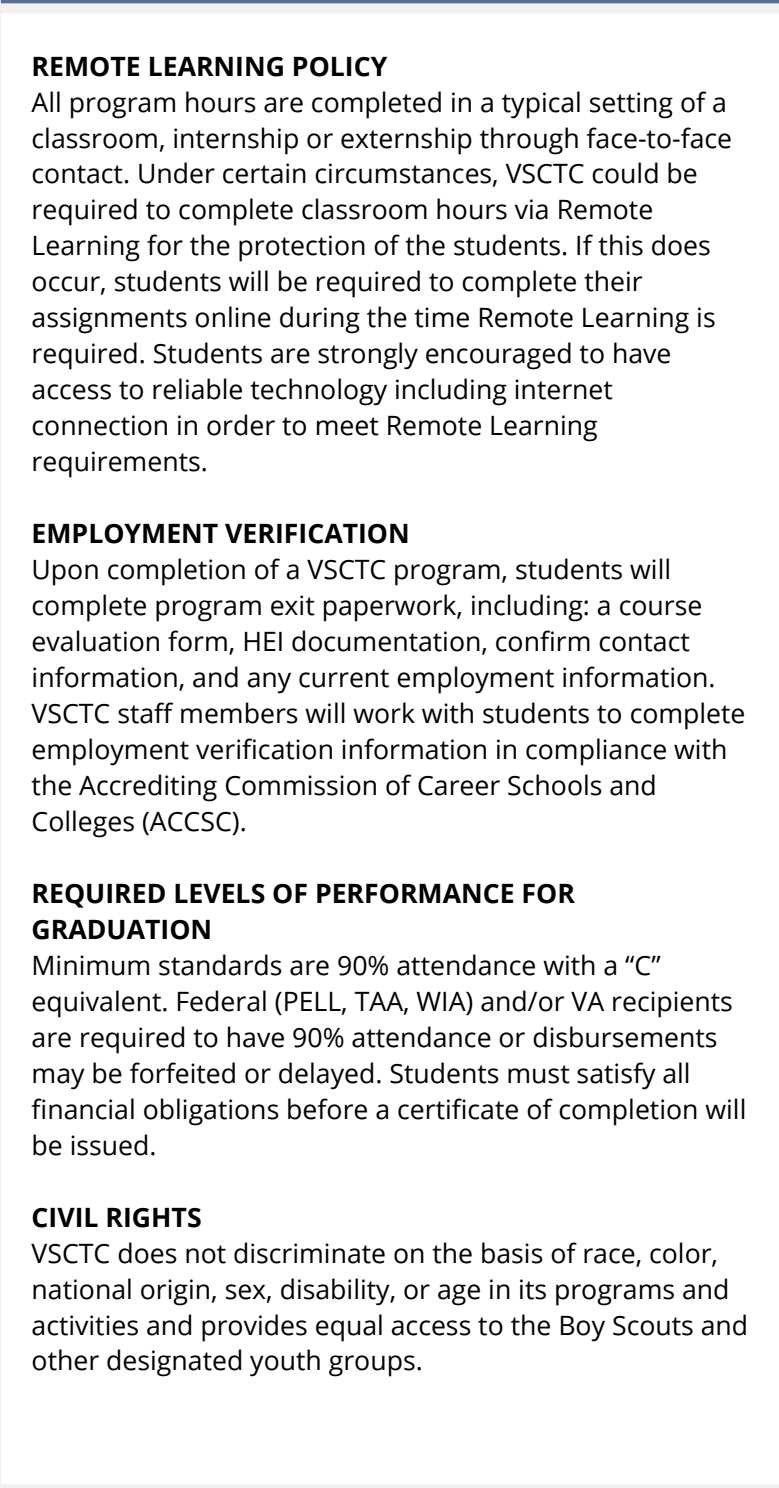

Upon completion of a VSCTC program, students will complete program exit paperwork, including: a course evaluation form, HEI documentation, confirm contact information, and any current employment information. VSCTC staff members will work with students to complete employment verification information in compliance with the Accrediting Commission of Career Schools and Colleges (ACCSC).

REQUIRED LEVELS OF PERFORMANCE FOR GRADUATION

Minimum standards are 90% attendance with a "C" equivalent. Federal (PELL, TAA, WIA) and/or VA recipients are required to have 90% attendance or disbursements may be forfeited or delayed. Students must satisfy all financial obligations before a certificate of completion will be issued.

CIVIL RIGHTS

VSCTC does not discriminate on the basis of race, color, national origin, sex, disability, or age in its programs and activities and provides equal access to the Boy Scouts and other designated youth groups.

GENERAL INFORMATION

CONT'D.

SATISFACTORY PROGRESS POLICY*

Progress standards meet or exceed those of our national accrediting agency and the Title IV program requirements. Program instructors will evaluate student progress once every 300-hour increment by measuring:

- Student attitudes and expectations
- Program climate; curricula/activities conducive to learning
- Student achievement/progress within specific time parameters
- Attendance/punctuality

Students are expected to complete the program within the designated duration of the program. Should extenuating circumstances occur, students in good standing will be given a maximum time frame of 50% of the designated duration of the program length to complete all requirements. Extenuating circumstances will be reviewed by the program instructor and Director. If a student does not complete requirements they will not receive a certificate of completion.

MAXIMUM NUMBER OF STUDENTS

The maximum number of students in a typical classroom or lab/shop setting of instruction is 15.

WEATHER CANCELLATION

In case of inclement weather or other related emergencies, please listen to the local radio or TV stations for announcements pertaining to VSCTC. When VSCTC is closed for high school students, Centers will also be closed for adult classes. It is possible for one Center to be closed for the day but not necessarily the other. Individual instructors will review with their students what to do in the event of a 2-hour delay.

LEAVE OF ABSENCE POLICY

VSCTC allows students with extenuating circumstances to take a leave of absence (LOA). The school may grant a leave of absence of up to 180 days in any *12-month period, during which time the student is not considered to be withdrawn. No Return of Title IV calculation is required at this time. While on a LOA, no additional institutional charges will be generated, the student's financial need may not increase, and therefore, the student is not eligible for additional federal student aid.

Prior to a LOA, a student must meet with their program coordinator to see if a LOA is possible. The LOA will only be acceptable in the event of unforeseen circumstances arise, such as medical reasons affecting the student or member of student's immediate family, military service requirements, or jury duty. The student must submit a Leave of Absence Form along with written, signed, and dated letter, stating the circumstances for the request and any other documentation. A decision regarding the request will be made within five school days and the student is notified in writing. However, if unforeseen circumstances prevent a student from providing a prior written request, the institution may grant the student's request for a leave of absence if the institution documents its decision and collects supporting documentation at a later date.

Before returning from a leave of absence, the student must meet with the program coordinator to devise a plan of completion. If the student fails to return from an approved LOA, the student will be considered officially withdrawn, and a Return of Title IV calculation will be done of tuition owed or refund due to student based on the student's last day of attendance.

*One additional approved leave (not to exceed 30 days) may be allowed for unforeseen circumstances such as jury duty, military reasons or circumstances covered under the Family Medical Leave Act (FMLA) of 1993, if the combined leave of absence does not exceed 180 days within the 12-month period.

GENERAL INFORMATION

CONT'D.

PROBATION & TERMINATION

If a student falls below the 90% attendance or assignment levels, they are put on probationary notice for a period of not more than 100 hours. Probationary periods can begin at any time the instructor becomes aware of a problem and is not based on the 300-hour satisfactory progress increment, although a report will be generated to remind students of their progress. During the probationary period, the student may make an appeal in writing and/or complete work to the satisfaction of the instructor to be reinstated as making "satisfactory progress" once again. If a student does not complete requirements in the 100-hour timeframe, they will be terminated from the program and any Federal (PELL, TAA, WIA) and/or VA funding will be withheld. Documentation must be submitted in writing to appeal probationary status. Students may appeal for the following reasons:

- a. Personal injury or illness to themselves or close family
- b. Unusual change in circumstance such as, but not limited to: job loss, divorce, illness of an immediate family member, etc.

Students may continue in the program during the probationary period. In order to complete the program, they must have shown improvement and be making satisfactory progress at the end of the probationary period. If a student does not complete requirements in the 100-hour timeframe, they will be terminated from the program. Vanguard-Sentinel Career & Technology Centers satisfactory progress policy is to be in effect for all full-time, federally funded program enrollees. For those students receiving federal financial aid, eligibility will be reinstated with their successful completion of reinstatement requirements. Those students will be paid for the payment period when they gain satisfactory progress, but not until they meet the standard and documentation is collected. This could result in a student having to arrange payment due to lost funding. Please see the financial aid officer if you are on probationary status.

REFUND / WITHDRAWAL POLICY

If a Vanguard-Sentinel Career & Technology Centers post-secondary student withdraws in the first 3 days of program, the student is responsible to pay (either by Grant or self-pay) for whatever class time they have completed as well as 100% of books, supplies and fees that occurred in that time. If time attended is 4th day of program to 30 class hours, students will be responsible for 25% of tuition, plus 100% of books, supplies and fees. If time attended is 31-60 class hours, students will be responsible for 50% of tuition, plus 100% of books, supplies and fees. If time attended is 61-90 class hours, students will be responsible for 75% of tuition, plus 100% of books, supplies and fees. Over 90 class hours of attendance, students will be responsible for 100% of tuition, plus 100% of books, supplies and fees.

When a student withdraws for any reason all regulations regarding grants such as PELL, PRC, TAA, WIA or any Title IV grants are adhered to. If a student is a "no-show" the above directives for refunds will apply.

If there is overpayment on any student account, the overage amount will be refunded according to the rules of the grant or paying agency, or by student's class completion date. All refunds to students, employers or PELL will be made within 45 days of the date of determination of withdrawal/termination.

GENERAL INFORMATION

CONT'D.

CANCELLATION POLICY

Applicants who have not visited the school prior to enrollment will have the opportunity to withdraw without penalty within 3 business days following either the regularly scheduled orientation procedures or following a tour of the school facilities and inspection of equipment where training and services are provided. All monies paid by an applicant must be refunded if requested within 3 days after signing an enrollment agreement and making an initial payment. An applicant requesting cancellation more than 3 days after signing an enrollment agreement and making an initial payment, but prior to entering the school, is entitled to a refund of all monies paid minus a registration fee of 15% of the contract price of the program, but in no event may the school retain more than \$150.

CAREER PASSPORT / CERTIFICATE OF COMPLETION

A Career Passport will be presented to full-time students attending 90% of scheduled class time. Upon graduation, students who successfully complete the program will be awarded a certificate of completion. No certificate will be issued to any student who does not meet requirements.

ARTICULATION AGREEMENT

Vanguard-Sentinel Career & Technology Centers graduates may be awarded college credit through an Articulation Agreement with Terra State Community College, Franklin University or Owens Community College.

MAKE-UP WORK

In the event of an extended absence, make-up work will be assigned with a schedule of due dates. It is the student's responsibility to submit the make-up work according to the schedule. Online or email submission will be arranged if the student is unable to physically attend class due to their extended absence.

STUDENT FRAUD

VSCTC takes matters of falsification or omission of information on the admission application seriously. Falsification or omission of any admission-related data includes, but is not limited to, high schools attended, college or universities attended, and GPAs or ACT/SAT scores submitted. If any falsification or omission of information on the admission application is discovered during the admission process, the application, at the sole option of the School, may be considered null and void, and may be rejected. If any falsification or omission of information on the admission application is discovered after admission has been granted, that granting of admission, at the sole option of VSCTC, may be immediately rescinded, and the applicant's student status may be terminated. Moreover, VSCTC reserves the right to follow up on any records it suspects as misrepresenting the student's prior educational history.

SCHOOL'S FACILITIES & EQUIPMENT

The Vanguard-Sentinel Career & Technology Centers facilities are located in Fremont, OH. All courses use industry equipment in the classrooms and labs.

EQUAL OPPORTUNITY

If any student believes that VSCTC or any of its districts staff has inadequately applied the principle and/or regulation of (1) Title VI (race, color, national origin) of the Civil Rights Act of 1964; (2) Title IX (sexual discrimination) of the Educational Amendment Act of 1972; (3) Section 504 (disability) of the Rehabilitation Act of 1973; and/or (4) the Age Discrimination Act of 1975, as amended, 20 U.S.C. etc. seq., s/he may bring forward a complaint, which will be referred to as a grievance to the Districts Title IX/504 Coordinator. The Title IX/504 Coordinator can be reached at 1306 Cedar Street, Fremont, OH 43420, 419.332.2626 ext. 1007.

STUDENT COMPLAINT PROCEDURE

Schools accredited by the Accrediting Commission of Career Schools and Colleges must have a procedure and operational plan for handling student complaints. If a student does not feel that the school has adequately addressed a complaint or concern, the student may consider contacting the Accrediting Commission. All complaints reviewed by the Commission must be in written form and should grant permission for the Commission to forward a copy of the complaint to the school for a response. This can be accomplished by filing the ACCSC Complaint Form. The complainant will be kept informed as to the status of the complaint as well as the final resolution by the Commission.

Please direct inquiries to:

Accrediting Commission of Career Schools & Colleges | 2101 Wilson Boulevard, Suite 302 | Arlington, VA 22201
(703) 247-4212 | www.accsc.org

A copy of the ACCSC Complaint Form is available at the school and may be obtained by contacting 567.201.2940 or online at www.accsc.org.
